Delve deeper into each destination

Azamara Journey

Some things in life should never be rushed and travel is certainly one of them. Azamara Club Cruises has a unique focus on ensuring passengers stay longer and delve deeper into each port on an itinerary. They call this concept *Destination Immersion*[®].

A cruise line that meticulously designs each voyage with a combination of famous destinations and hidden gems. Stay overnight or multiple nights in one destination so you can catch an evening show or dine in a famous Michelin-starred restaurant.

Back onboard, you'll find that if you are travelling on either of the two mid-sized ships - *Azamara Journey*[®] and *Azamara Quest*[®] - they are just right. Not too big that you may get lost, and not too small that you'll run out of things to do. From the Cabaret Lounge to themed pool parties, casino and live entertainment, you'll be spoiled for choice.

In your stateroom, you'll find luxury cotton bedding and contemporary design that feels more like a five-star boutique hotel than a cruise ship cabin and with each meal, you'll be taken on a culinary journey, discovering flavours from around the globe. Whether you want to enjoy a five-course dining experience with matching wines or stay in your luxury stateroom and order from the 24-hour room service menu, you will delight in every bite!
